Oxford University Student Union

Oxford International Festival 2009

The International Students' Campaign (ISC) is one of six autonomous, equal opportunities campaigns of OUSU. We are committed to represent and improve the welfare of the over 6,500 international students from 139 different countries at our University. We are also here to lend a helping hand to university societies and clubs that deal with international issues.

We meet regularly each term and anyone may request to become a member of the Campaign at any time by emailing us at internationalstudents@ousu.org or by attending one of our open meetings. You can also obtain more information by visiting our Facebook group.
